The **Jockey Club** has discontinued their assigning **Experimental High Weights** for 2-year olds in 2019 and thus the “Dual Qualifiers” factor is no longer available for consideration in our handicapping process.

Dual Qualifiers were those that are ranked within 10lbs. Of the Experimental High Weights (126lbs.) and who’s Dosage Index (DI) is 4.00 or less.

KY Derby winners in the past 11 years have averaged a Total of 17 Points in their Dosage Profile. Only three of them had less than 10 Points
